The Next Normal

Unleashing a generation
to learn & lead

A VIRTUAL LIVING ROOM EVENT

Does education have you concerned?

Students are in the midst of another semester of confusion where school is anything but “normal.” We parents, community members, and business leaders need answers: **What is really going on in education? And what is our way forward?**

Coming together to find the Next Normal

You are not alone and we are honored to help you find your way forward. Virtually attend *(re)Educate: The Next Normal* to hear renowned education change agent Will Richardson and Tricia Halsey, Founder of the Big Idea Project provide answers, compelling vision and practical solutions.

A Virtual Living Room Event

Cast the live event to your television for everyone to enjoy!

Give back to your friends and neighbors who, like you, are looking for answers and ways to impact the future of education. Host a watch party! You can:

- ✔ Host a dinner for your friends and then cast the live event on your TV!
- ✔ Host a watch party in your driveway and invite neighbors!
- ✔ Encourage your friends to host their own watch parties!

We all have an obligation to help our children see meaning and purpose in what they do. Be proactive and use this historic moment to re-engage in learning and (re)Educate.
